Dear Mr. de Ghellinck:

Thank you for your participation in last week's SAFEBUILD conference. Your committed engagement to the day's event will certainly have a lasting impact on the culture of our Industry.

With this year's SAFEBUILD, we've begun a vital conversation on worker mental wellness and brought the issues front and center. We learned how our industry is investing in labor-management peer to peer support programs, explored proven methods used by subcontractors that provide cutting-edge resources for intervention, and heard from our leading construction management firms that are proactively addressing mental health and wellness.

Your contributions to the program were so well-received and delivered, bringing immense value to our industry. I have provided a link to our photo gallery <https://www.bteany.com/2023-safebuild-mental-health-and-wellness-best-practices>

Again, thank you for your insights and engagement with our members. You helped make SAFEBUILD a memorable and significant event.

Best regards,
